MWCN: Utah's Deal Network

MountainWest Capital Network is a non-profit organization dedicated to fostering deal flow, capital development, and business growth in Utah. Since 1983, MountainWest Capital Network, has brought together entrepreneurs, investors, and professional service providers interested in the establishment, funding, and operation of successful business ventures.

Programs, Events & Services

Deal Flow Report Event: MountainWest Capital Network is the publisher of the Deal Flow Report, Utah's only comprehensive compilation of all financial transactions that occurred within the state during the calendar year. This report, combining MWCN research and online Deal Flow data from various sources, summarizes key deal flow data involving public offerings, venture financing, private funding, and mergers and acquisitions that take place each year in the state of Utah. Its purpose is twofold: first, to recognize and highlight the great growing Utah companies who have successfully raised capital; and second, to promote and attract further investment in Utah businesses.

Entrepreneur of the Year Award: For more than 32 years, the MountainWest Capital Network has recognized a Utah business executive who has built a successful Utah-based company and assisted others in participating in the risks and rewards of entrepreneurship.

Monthly Business Forums: Members and their guests meet each month, generally on the third Thursday, at various locations in the Salt Lake Valley. Business Forums feature business presentations, reports on deal flow activity, and unique networking opportunities.

MWCN Blog: Check out the MWCN blog for the latest information and profiles on Utah 100 companies, sponsors, Deal Flow companies, and Entrepreneur of the Year recipients.

Utah 100 Awards: Each year since 1995, the MountainWest Capital Network has honored Utah's top 100 fastest growing companies, the top 15 revenue growth companies, and a select group of "Emerging Elite" businesses in Utah. Winners are chosen purely by formula from an impressive group of high-growth applicants.

MountainWest Capital Network's trustees, officers, and committee members volunteer their time and expertise to help further MWCN's mission. Trustees and officers are elected by the MountainWest Capital Network Executive Committee.

MWCN Membership Information

MountainWest Capital Network membership is available to all entrepreneurs, service providers, capital sources, and others interested in business growth and development. Annual memberships are available for only \$25, which allows members to attend MWCN events at a discounted rate.

2021 MWCN Utah 100 Program

The Utah 100 Program was first conceived by the MountainWest Capital Network (formerly the MountainWest Venture Group) twenty seven years ago as Utah's only business growth recognition program. This premier award program identifies and recognizes Utah's 100 fastest growing companies, the top 15 revenue growth companies, and (since 2001) a select group of "Emerging Elite" companies each year.

John M. Knab, a MountainWest Capital Network director and founder of the Utah 100 Program, has stated: "The companies on the Utah 100 show the entrepreneurial spirit that is alive and thriving in our business communities. The Utah 100 illustrates that people can succeed in any industry in Utah if they are prepared to follow their vision, assemble the right resources, and make the sacrifices that are required to achieve economic success."

The 100 fastest growing companies in Utah are selected from thousands of eligible applicants solicited throughout the State. They represent a broad cross-section from almost all industries in Utah, including information technology, biomedical and bio-technical, healthcare, retail, construction and financial services.

To be eligible for consideration in the Utah 100 fastest growing company category, a company must meet the following criteria:

- Be Utah-based;
- Be a U.S. organization;
- Have reported a minimum of \$100,000 in revenue in the base year (2016); and
- Have five years of operating history.

In the first year of the Utah 100 Program (1995), MountainWest Capital Network compared 1990 revenues against revenues for the year ending 1994.

A simple percentage was calculated to reflect the growth rate during that period. Companies selected for the inaugural Utah 100 ranged in growth from approximately 200% to a phenomenal 18,000%. Subsequent years' results have shown similar impressive results.

In addition to the 100 fastest growing companies, 15 businesses are recognized each year for their actual revenue growth (measured in dollars rather than percentage growth). These companies represented over a billion dollars in revenue growth during the inaugural period in 1995.

In 2001, a new category called "Emerging Elite" was added to the Utah 100 program. Recognition began that year for "Emerging Elite" businesses with great prospects for future growth and success, but which did not otherwise qualify for consideration in the Utah 100 fastest growing company category. We continue this year with the tradition of recognizing a select number of "Emerging Elite" companies.

There is no cost to apply for the Utah 100. Information on the Utah 100 Event and/or other MountainWest Capital Network programs can be obtained by calling (801) 966-1430 or by visiting our web site at mwcn.org.

In the compilation and ranking of the Utah 100, MountainWest Capital Network relies solely on information provided by the companies that apply, without independent inquiry, verification or audit of that information. Accordingly, MountainWest Capital Network expressly disclaims any responsibility for omission of companies that did not provide information as well as for the accuracy or completeness of the rankings for those companies that did apply. Ranking this year was based on revenue growth from 2016 – 2020.

2021 MWCN Chair Letter

October 1, 2021

Dear Utah 100 Winners,

Leading and building a successful company has never been easy. Building lasting companies during globally challenging circumstances is even tougher. You are among an elite corp of leaders that will ever after remember the unique challenges facing us all in 2020 and have the determination, ingenuity, and team to grow despite what the world dealt us.

Living in Utah during 2020 was a privilege. The spirit of entrepreneurship is unique and strong, and thanks to you and your leadership, continues to expand. No one can doubt that the entrepreneurship flywheel is spinning and has reached self-sustaining momentum here. Utah is remarkably consistent in its permanence atop the list of the best places to work and no one has had a greater impact on that than you and your companies. This is indeed a cause for celebration because we're building something special here in Utah!

On behalf of Ampleo and so many other partners/sponsors, I congratulate you on being recognized as one of Utah's top companies at the 2021 Utah 100 event hosted by the MountainWest Capital Network.

Please accept our congratulations and sincere wishes for your continued success!

Utah's Top Tax, Audit & Advisory Firm

(But Don't Take Our Word for It)

SQUIRE HAS BEEN UTAH'S CHOICE FOR BUSINESSES

KNOW? REVIEWS LIKE THESE.

"I have relied upon the team at Squire for 15+ years now and, what to say...I consider them to be my organization's outsourced CFO. Great support and advice, great value."

"What an extraordinarily friendly and helpful company online and at the front-line. I'm a small law firm in San Antonio, Texas....if Squire cares that much about all the small business owners across the country and one small law firm in Texas, imagine how much they must care about their own right there in Utah. Thanks Squire!!!"

NATIONAL EXPERTISE. REGIONAL LAW FIRM.

You don't have to go to a big city to find big city legal experience. Parsons' middle market transaction team, for example, can stand up to law firms on either coast whether you need help in negotiating an M&A deal or achieving your debt or equity financing needs. To retain the legal experience you need, look no further than your own backyard.
